St John Vianney’s Primary School
Uniform Policy

Uniforms are compulsory and are to be worn only as specified in the uniform policy

At St John Vianney’s School, we value our school uniform and expect all parents to make the wearing of it a high priority for your child.

Therefore the following responsibilities apply without exception:

- School uniform is to be worn at all times
- It is to look neat so as to demonstrate school pride
- School uniform is to be worn during school organised activities and interschool sporting events
- A note is required if a student is unable to wear any part of the uniform as specified in the policy

Parents will be advised at the beginning of each school year on which days your child is to wear their sports uniform.

The sports uniform is worn on designated days only.

All items are to be clearly marked with the student’s full name – No initials.

Sun Safety

The UV rating of garments provided is of the highest standard available, with most stock being classified with a rating of 40+.
As sun safety is a top priority for outdoor activities, all students must have and wear a school hat.

All students should have sunscreen applied at home before school. It can be reapplied during the day and is supplied in each classroom.

‘No hat... No play’ applies to all outdoor class activities and breaks.

To ensure continuity of colour and style all garments, unless specified, are available from our uniform shop.
