Dear SJV Families

The members of the SJV teaching staff have been engaged in a wide range of professional learning activities this year. Last week five members of the SJV teaching staff attended the EduTECH Conference in Brisbane. This conference brought together world renowned speakers, experts and delegates from around the world who are passionate about the changing nature of technology in education. Our teachers experienced wonderful ideas, learnings and inspiration that they will share with students and staff at SJV.

First Holy Communion

A number of our students will receive the Sacrament of First Eucharist this weekend. This is a very significant moment in their lives as they become full members of our Church community. Our community exists for the purpose of maintaining and energising the Catholic Christian view of life and spirituality. Each of us can encourage these young people as they take their own personal journey. Please keep the children in your prayers.

Annual School Report

All schools in Australia are required to complete an annual report which includes information about various aspects of the school including demographic and attendance data. All schools must publish this information by 30 June in the following year and make it available to their school community. The annual report for 2015 has been published on the school planning and reporting page of our website: http://www.sjv.qld.edu.au/About%20Our%20School/Pages/Annual-Report.aspx

NB NAPLAN Data is available via the Australian Government’s myschool website www.myschool.edu.au/

SJV Walkathon next Friday 17 June (Week 10)

The SJV Walkathon will be held next Friday 17 June from 9:00am-11:00am. Information on this activity is included in this newsletter. Funds raised from this activity will go to the SJV P&F Association to support the next stage of our school air-conditioning project.

Events in Week 11 (Final Week of Term)

1. **Student Reading Book Exchange.** The school will be holding our first reading book exchange on Tuesday 21 June. Students will be able to bring in books they no longer want or need and exchange books with other students. We hope this will encourage children to read new literature over the holidays. More information will be provided in the newsletter next week.

2. **Dress in team colours - Wednesday 22 June (State of Origin Day).** Students are asked to dress in their team colours and donate some of those 5 cent or 10 cent pieces that hang around our homes. We will try to go around the yellow line under our blue sails with the coins we collect. All funds raised will be donated to Caritas Australia (Catholic aid and development organisation).

**Best wishes Mrs Sarah Ward**

Mrs Sarah Ward (Prep V teacher) will commence maternity leave this Friday 10 June. Sarah joined the SJV teaching staff at the beginning of 2015. Sarah is an outstanding educator and I would like to acknowledge and thank her for her wonderful contribution to SJV during her time with us. We wish Sarah and Dominic every blessing as they look forward to the joy of parenthood in the near future.

**Best wishes for a great week ahead.**

St Anthony’s Cross Country Carnival
The results are in! Congratulations to all the competitors who represented SJV at the St Anthony’s Cross Country Carnival last Thursday. The team placed in the top three for every age group and were successful in winning the Intermediate Girls, Intermediate Boys and the Aggregate trophy for the B Division schools. I would like to sincerely thank Mr Cotter, Mrs Tannock and all the staff who have supported Running Club throughout 2016. This program has been instrumental in the success of the team. I would also like to thank Mrs Ansley who volunteered to assist with the preparation of the team administrative tasks and singlets and the staff on the day who supported the team as well. Thanks also to Mr Sullivan and Mr Bond for setting up and packing up the shade for the day.

SJV Junior Athletics Carnival
Preparations are almost complete for the Junior Athletics Carnival scheduled for Thursday 23 June. I seek your support in completing the Consent/Medical Forms and returning same to your child’s classroom teacher. We will be requiring the assistance of parent helpers on the day, and I ask your support in this regard also. Your assistance is greatly appreciated and the students are very excited about this upcoming event.

SJV Senior Athletics Carnival
The information pack and accompanying forms have now been forwarded to all families in preparation for the Senior Athletics Carnival (Year 3 to Year 6) scheduled for Friday 15 July at Moreton Bay Girls’ College. The carnival is very labour intensive and I seek your assistance to help with the setting up and running of the various events on the day, even if only for a couple of hours. Thank you in advance for your help. Please be advised that the High Jump Event will be conducted at the school on Tuesdays, Wednesdays and Fridays and the competitors will need to bring sports’ clothing on these days.

PE Program
Despite the weather beginning to cool down, I seek your support in ensuring that all students wear the regulation school hat to school each day and bring a water bottle with them as well.

Children need resilience, perseverance and other life skills if they are to remain optimistic in the face of life’s daily challenges. This book is a guide for teachers and parents, showing how they can work together in the common pursuit of raising children to be considerate of themselves and others. In particular the book focuses on the following strategies:

- Talk straight to children
- Guide children towards effective self-management
- Encourage honest self-assessment
- Be a guide, not a boss
- Raise children to be strong of character

*The bonsai child* by Judith Locke
The Bonsai Child will show you the best way to be a good parent for your child. It will teach you how to encourage your child’s confidence and resilience.

*Modern parenting is explained*
As a researcher and practicing clinical psychologist, Judith has insight into why many parents overdo their parenting efforts

*The impacts on children are described*
Children’s resilience, confidence, and capabilities are being impacted by parents doing too much for them

*Parents are shown effective strategies*
Parents are taken through a process of rethinking their parenting approach and then realistic parenting strategies described

*The techniques work*
Judith’s practical and humorous advice has worked for thousands of families she has treated in her private practice and in her parenting seminars
