Dear SJV Families

We welcomed Ms Joan Pease MP to the school on Monday to acknowledge a letter she received from Maya Cranny (Year 3) about caring for our Moreton Bay environment. Ms Pease also presented our fortnightly awards and Athletics medallions and certificates.

Catholic Education Week will be celebrated across Queensland from 24 - 30 July this year.

This annual event is held to promote the special ethos of Catholic schools and to highlight the great things that take place in Catholic schools every day.

The theme for this year's celebrations is: Opening Doors in the Year of Mercy.

Catholic education strives to make a difference in the lives of those in our schools and in the wider community by challenging young people to live out the message of Jesus and to reach their full potential as compassionate, contributing, life-giving members of society.

There are 300 Catholic schools in Queensland that educate around 147,000 students and employ 19,000 teachers and staff.

School Athletics Carnival

The school held two Athletics Carnivals in recent weeks. Students are to be congratulated for their level of participation and good sportsmanship on these days.

My thanks to Mrs Marian Carlton for the organisation and coordination of these days, to the staff for their work with the children before and during the carnival and to all of our parents as well as students of Lourdes Hill and Iona Colleges who assisted with the Athletics Carnivals this year. Your support is very much appreciated.

SJV Uniform

All parents are asked to please support the school by ensuring children are wearing the correct uniform each day. This includes SJV socks and the correct shoes. The correct uniform shows a respectful regard for the school rules and your support and cooperation with this matter is appreciated. Parents are asked to provide a note to explain any short term deviations from the correct uniform.

Best wishes for the week ahead,

Geoff Sullivan (Principal)

SJV Feast Day Thursday 4 August

Next Thursday at 9.30am we will gather in the church for our celebration of the Feast of St. John Vianney; to delight in the gifts each of us now bring to the St. John Vianney’s community. We are invited to acknowledge and celebrate the life and work of St. John Vianney and affirm his presence as a central aspect of life and strength of our community.

St. John Vianney was born Jean Baptiste Marie Vianney in 1786 in France. He was a poor shepherd boy who was called to the Priesthood. He studied for some time at the Lyons Seminary in France and was eventually ordained in 1815. St. John Vianney’s first Parish was in a town called Ars.

St. John Vianney is often referred to as the Cure D’Ars, in English this simply translates to the Cure of Ars. During his life and time he was renowned for hearing confessions. After his death in 1859 his works of love and charity spread across the world.

St. John Vianney was canonised in Rome in 1925. His Feast Day is the 4th of August. He is the patron saint of our school and the patron saint of priests.

People come together in community here in Manly to share the story of St. John Vianney, to nurture and strengthen each other, and commit themselves to continuing his mission.

Food allergies/intolerances:

As part of SJV Feast Day celebrations students will receive a cupcake. Parents/caregivers of children with food allergies/intolerances are asked to send a special treat to school on this day for their child/ren to enjoy.

Rosies & BABI Appeal—Monday 1 August to Friday 5 August

As the leading youth and family services provider in the Wynnum/Redlands region, BABI has been responding to the needs of young people who are homeless or at risk of homelessness since the early 1980s. Rosie’s provides unconditional acceptance and friendship to people who are marginalised within our community – especially those who are homeless, at risk of homelessness or simply lonely.

**MAKERSPACE!**

Makerspace is an interactive course for children at SJV where they can unite with technology and everyday objects to create things for the future. This week I have been teaching some Grade 5 students Sketchup. Sketchup is an online 3D modelling tool where you can sketch construction designs such as buildings and skyscrapers. Other resources students used were LittleBits & Spheros. On Monday, Molly and Grace (Year 5 students) discovered in 5 minutes how to make sound into light by using magnetic, colour-coded bits. Makerspace is a program of limitless opportunities.
