Dear SJV Families

Catholic Education Week is being celebrated across Queensland this week and our students have shared some learning experiences this week focusing on the theme for this year’s celebrations: Opening Doors in the Year of Mercy. Our school strives to make a difference in the lives of those in our school by challenging our students to live out the message of Jesus in the way they treat others. This week at SJV we have been focusing on acts of kindness which are a very important aspect of life at SJV.

Some interesting facts about Catholic education in Queensland:

In 2016, there are 300 Catholic schools in Queensland (202 primary, 70 secondary and 28 P-12 schools). Queensland Catholic schools educate more than 148,500 students or about 1 in 5 of all Queensland students. There are more than 18,000 teachers and staff employed in Queensland Catholic schools.

School locations range from Thursday Island in the north to the Gold Coast in the south and Longreach and Quilpie in the west.

The community profile of Queensland’s Catholic schools is very similar to state schools in that they cater for students across the socio-economic spectrum, students with special needs and for students from rural and remote regions. As evidenced from the above figures, Catholic schools make an important contribution to the Queensland and Australian communities through educating young Australians.

Religious Education is an important component of the curriculum in Catholic schools. All Catholic schools are required by the Bishop of the Diocese to implement a religious education program which is based on the teachings of the Catholic Church. Students are encouraged to explore their own values and discuss the Catholic perspective of a range of current social issues.

Our next P&F Meeting will be held on Monday 8 August at 7.00pm (NB change of day from usual meeting).

I will be away on leave next week completing a course so Julia McLean will be the Acting Principal in my absence.

Best wishes for the week ahead. Geoff Sullivan (Principal)
Our SJV School-wide Expectations:
Be Respectful
Be Responsible
Be Safe
Be a Learner

Virtue for this fortnight: Generosity

Generosity is giving and sharing. You share freely, not with the idea of receiving something in return. You find ways to give others happiness, and give just for the joy of giving. Generosity is one of the best ways to show love and friendship.

Learning Powers for this fortnight: Be curious, be creative

SJV Feast Day Thursday 4 August

Next Thursday at 9.30am we will gather in the church for our celebration of the Feast of St. John Vianney; to delight in the gifts each of us now bring to the St. John Vianney’s community. We are invited to acknowledge and celebrate the life and work of St. John Vianney and affirm his presence as a central aspect of life and strength of our community.

St. John Vianney was born Jean Baptiste Marie Vianney in 1786 in France. He was a poor shepherd boy who was called to the Priesthood. He studied for some time at the Lyons Seminary in France and was eventually ordained in 1815. St. John Vianney’s first Parish was in a town called Ars.

St. John Vianney is often referred to as the Cure D’Ars, in English this simply translates to the Cure of Ars. During his life and time he was renowned for hearing confessions. After his death in 1859 his works of love and charity spread across the world.
St. John Vianney was canonised in Rome in 1925. His Feast Day is the 4th of August. He is the patron saint of our school and the patron saint of priests.

People come together in community here in Manly to share the story of St. John Vianney, to nurture and strengthen each other, and commit themselves to continuing his mission.

**Food allergies/intolerances:**

As part of SJV Feast Day celebrations students will receive a cupcake. Parents/caregivers of children with food allergies/intolerances are asked to send a special treat to school on this day for their child/ren to enjoy.

**Rosies & BABI Appeal—Monday 1 August to Friday 5 August**

As the leading youth and family services provider in the Wynnum/Redlands region, BABI has been responding to the needs of young people who are homeless or at risk of homelessness since the early 1980s. Rosie’s provides unconditional acceptance and friendship to people who are marginalised within our community – especially those who are homeless, at risk of homelessness or simply lonely.
