Introduction

Because wherever a child or vulnerable person is safe, there you serve and honour Christ.

Pope Francis written address to the Pontifical Commission for the Protection of Minors' plenary assembly in Rome March 24-28, 2025.

St John Vianney's Primary School, Manly, is committed to creating environments where children and young people feel protected, valued, and heard. Safeguarding is a shared responsibility, and every child has the right to grow and thrive free from harm.

We are guided by our Christian Catholic Tradition and the teachings of Jesus Christ who advocated for the protection of children and the marginalised. Our mission to teach, challenge and transform through our educational endeavours is actioned by Catholic Social Teaching, as part of the Archdiocese of Brisbane.

The Queensland Government recently introduced new Child Safe Standards. These Standards clearly outline what child safe organisations must do to create environments where children are protected, respected and able to speak up. They focus on building safe, welcoming cultures, hearing and valuing children's voices, working closely with families, celebrating diversity, making sure the right people work with children, responding quickly to concerns, and always looking for ways to improve safety.

Throughout 2026, our school will review its compliance against the new Child Safe Standards using a phased approach in line with Queensland Family and Child Commission guidelines. We will review, self-assess and report against selected Standards each term, building towards full implementation and continuous improvement across all Standards by the end of the year. This staged process allows St John Vianney's to embed the Standards meaningfully and ensure our practices reflect the needs, voices and safety of our students.

As a Catholic school within the Archdiocese of Brisbane, we honour the Archdiocesan Safeguarding Commitment and uphold the values of Catholic education in our safeguarding practices.

This School Safeguarding Plan is developed in consultation with students, families, and employees, and is contextualised to our local school environment. It reflects our commitment to continuous improvement, cultural safety, and child-centred practice, and is supported by both Brisbane Catholic Education policies and procedures and school-specific safeguarding actions. Further Information about BCE wide practices can be accessed [here](#).

For more information or to request accessible formats, please contact the school Principal.

The Archdiocese has zero tolerance for all forms of abuse and is committed to safeguarding everyone involved in its activities, ministries, and services. The safety and wellbeing of children and adults-at-risk is paramount.

Universal Principle

Safeguarding Focus Areas

The 10 standards are grouped under four key focus areas:

The Universal Principle

Ensuring cultural safety through the Universal Principle is essential for Aboriginal and Torres Strait Islander students and families.

While the Principle intentionally focuses on First Nations children, the cultural safety indicators which make up the Principle are designed to adopt a proactive and comprehensive approach to safeguarding, ensuring that policies, and practices are inclusive for all children, particularly those who may be marginalised or vulnerable. The Universal Principle is embedded within all 10 Standards.

Cultural Safety Indicators

- 1 Transformational unlearning** – Organisations must challenge unconscious bias, racism, and discrimination within their structures and workforce.
- 2 Negotiating values, motivations, and paradigm** – Policies and programs should be co-designed with Aboriginal and Torres Strait Islander communities to reflect their perspectives on child safety.
- 3 Prioritising social and emotional wellbeing and health** – A holistic, strengths-based approach must be adopted to support the wellbeing of Aboriginal and Torres Strait Islander children, staff, and families.
- 4 Sharing power and decision-making** – Decision-making processes should be led or co-led by Aboriginal and Torres Strait Islander peoples to ensure genuine partnerships.
- 5 Sharing resources** – Organisations should dedicate resources to Aboriginal and Torres Strait Islander led initiatives, research, and governance mechanisms, where appropriate.
- 6 Creating a strategic enabling environment** – Leadership must set clear priorities and accountability structures ensure cultural safety into daily operations.
- 7 Operating on Aboriginal and Torres Strait Islander terms of reference** – Service delivery to Aboriginal and Torres Strait Islander children should be grounded in Aboriginal and Torres Strait Islander knowledge systems and self-determination principles.
- 8 Accountability and continuous quality improvement** – Progress should be measured using Aboriginal and Torres Strait Islander-defined success indicators, ensuring sustained improvement.

The Cultural Capability Framework

This framework enables Brisbane Catholic Education to develop a workforce grounded in Aboriginal and Torres Strait Islander cultural humility, enabling responsive and innovative practices that contribute to Reconciliation. The Cultural Capability Framework and Molum Sabe assists our workforce to critically reflect on individual and organisational practices and develop effective practices across four cultural standards:

Teaching

Culturally responsive teachers and education professionals create the conditions for respectful relationships with Aboriginal and Torres Strait Islander peoples, and learning of knowledges, identities, cultures and languages.

Relationships

We develop relationships and connections with Aboriginal and Torres Strait Islander employees, students, families and communities to build and sustain inclusive and culturally safe practices and environments.

Environment

We establish an inclusive and culturally safe environment, where Aboriginal and Torres Strait Islander employees, students, families and communities feel a sense of belonging and connection.

Leadership

All employees are accountable for building and sustaining inclusive and culturally safe practices and environments with Aboriginal and Torres Strait Islander employees, students, families, and communities. Leaders have additional responsibilities to articulate a clear vision and provide ongoing cultural capability development opportunities for employees.

Standard 1: Leadership and Culture

Child safety and wellbeing is embedded in the entity's organisational leadership, governance, and culture¹

Brisbane Catholic Education's commitment to Standard 1

At BCE, student safety is central to how we plan, think and act, shaping a safeguarding culture that protects their safety and wellbeing. We use a whole of organisation approach; led by strong leadership, embedded in practice and supported through shared responsibility. Clear policies, codes of conduct, Student Protection Processes and risk management plans set behavioural expectations and guide how we keep children safe. Our Safeguarding Policy aligns with the Archdiocese of Brisbane Safeguarding Framework and is available on our website. Leaders are accountable for ensuring these requirements are followed and continually improved. Safeguarding is a system critical foundation of the BCE Strategic Plan 2025–2027 and an identified enterprise risk, monitored through regular monitoring, internal audits and escalation pathways. Governance transparency is reinforced through quarterly reporting to the BCE Executive Team, Safeguarding Committee and Catholic Education Council, including assessments of practice effectiveness and improvement progress. We take a strong stand against discrimination, bias or harm toward any child and are committed to cultural safety for Aboriginal and Torres Strait Islander peoples.

What Standard 1 looks like at our school:

Our structures ensure that every child is safe, known, heard and protected from harm. Safeguarding remains front-of-mind for all staff through a standing Safeguarding Notification item (Item 3) in our weekly staff memorandum. This ensures all staff are well-informed of critical safeguarding information, reinforces shared accountability, and supports our commitment that all children are safe from harm, always. Each term, in Weeks 5 and 10, staff meet in two collaborative groups (Prep–Year 2) & (Years 3–6). These conversations build a strong, collective safeguarding culture and ensure responsibility is shared across the school community, not held by individuals alone. Following these staff meetings, the School Leadership Team meets on the Wednesday immediately after to:

- Review feedback and actions
- Ensure appropriate follow-up
- Communicate next steps clearly through the weekly memo

This cycle ensures safeguarding actions are tracked, communicated and strengthened, reinforcing strong governance and leadership accountability in line with Child Safe Standard 1.

¹ Alignment with National Catholic Safeguarding Standard (NCSS): Standard 1: Committed Leadership Governance and Culture | Working with Children (Risk Management and Screening) Regulation 2020 (Qld), Schedule 1, Section 2(1), (2)(a) and (2)(b) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s 6 (1), (2) and s9 (e)

Standard 2: Voice of children

Children are informed about their rights, participate in decisions affecting them and are taken seriously²

Brisbane Catholic Education's commitment to Standard 2

We strive to create a culture where every child feels safe, heard and confident to share their ideas or concerns. Our employees and volunteers are supported to engage respectfully with students, listen carefully, and respond to their immediate needs. BCE's school safeguarding storybooks and animation series help explain our policies, processes and key safeguarding concepts to students in age appropriate ways. We also support schools to deliver Consent and Respectful Relationships Education so students understand their rights, identify trusted adults, and build positive, healthy and respectful relationships. Each year, students across all BCE schools are invited to share their views through the *Tell Them From Me* survey. This feedback helps us understand how students are feeling, their concerns and how we can strengthen safety and support in our schools. Our Student Voice Program gives students a platform to contribute to BCE wide decisions affecting their safety, wellbeing and learning. Our Archdiocesan First Nations Student Representative Council and our Aboriginal and Torres Strait Islander Education Team help co-design culturally safe policies and practices.

Standard 3: Family and community

Families and communities are informed and involved in promoting child safety and wellbeing³

Brisbane Catholic Education's commitment to Standard 3

Student safety, wellbeing and learning are best supported when families and schools work together and share responsibility for protecting students. At BCE, we believe informed and engaged families and communities are essential to creating safe learning environments. We support schools to partner with families in ways that are consistent, respectful, culturally safe and shaped by local needs. We also make sure families and community members have clear, accessible information about our safeguarding approach and how to raise concerns. Each year, parents and caregivers share their perspectives through the *Tell Them From Me* Parent Survey. This feedback helps BCE understand family experiences and concerns, guiding improvements that make our schools safer and more supportive for students.

What Standard 3 looks like at our school:

At St John Vianney's, families and the wider community are recognised as essential partners in promoting child safety and wellbeing. Our approach is relational, transparent and intentionally inclusive, ensuring that families are both informed and actively engaged in safeguarding practices.

Communication occurs through multiple consistent channels including newsletters, BCE Connect, parent meetings and informal engagement, ensuring accessibility and ongoing connection with families regarding student wellbeing and safety.

Family and community voice is actively sought and valued. Structured consultation opportunities such as Parents and Friends engagement, surveys and guided discussion questions enable families to contribute to decision-making and provide feedback on safeguarding practices.

This work is strengthened through deliberate consultation with a broad range of stakeholders, including families, carers, parish partners and Aboriginal and Torres Strait Islander community members to ensure diverse perspectives are represented.

There is strong alignment between staff, leadership and family perceptions of a safe and supportive school environment, underpinned by open communication and trusting relationships.

The school continues to strengthen this standard by increasing opportunities for families to be represented by the school board to co-design safeguarding approaches, by providing explicit & unique perspectives and expertise to deepen our child safety practices.

This collective approach ensures that safeguarding is a shared responsibility between school, family and community, consistent with our commitment to child-centred practice and continuous improvement.

Standard 4: Equity and diversity

Equity is upheld and diverse needs respected in policy and practice⁴

Brisbane Catholic Education's commitment to Standard 4

Every student deserves to flourish and has the right to learn in a safe, supportive and inclusive environment, free from discrimination, bullying and harassment. BCE supports all students, regardless of background, identity or ability, to access and fully participate in their learning. We embed equity at the heart of our culture through the Student Diversity and Inclusion Policy, the Student Wellbeing Policy and the Queensland Catholic Education Council's Inclusive Practice in Catholic Schools. We expect school practices to reflect each child's circumstances and needs, and to prioritise culturally safe, trauma informed approaches in planning, communication and engagement. The Engage Student Support System and the Multi Tiered System of Supports (MTSS) help schools provide a student centred, comprehensive continuum of support. These systems enable collaborative, targeted and personalised assistance for diverse learners. We also provide children with opportunities to learn about different cultures, people and communities through the Aboriginal and Torres Strait Islander Histories and Cultures Cross Curriculum Priority and the Australian Curriculum.

What Standard 4 looks like at our school:

At St John Vianney's, equity and diversity are embedded across policy, practice and daily interactions, ensuring that all students are known, valued and supported to thrive within a culturally safe environment.

The school demonstrates a strong commitment to inclusion through targeted, data-informed support for students who may be at increased risk, with a focus on pastoral care, inclusion and differentiated support strategies.

Staff are supported to enact culturally safe and trauma-informed practices through ongoing professional learning and collaborative dialogue, ensuring that responses to students are responsive to individual circumstances and needs. Yura SJV, Quandamookan language for 'greeting St John Vianney's' is the standing item 4 in our weekly memorandum, that celebrates, teaches and sparks curiosity for a reconciled future.

The school demonstrates an ongoing commitment to embedding Aboriginal and Torres Strait Islander perspectives within both policy and practice, recognising the importance of cultural safety as a core element of safeguarding. Our Reconciliation Action Plan is routinely shared in the Yura SJV standing item 4 I the weekly staff memorandum.

Students are explicitly supported to understand who they can talk to and how to seek help, with safeguarding processes reinforced through curriculum, assemblies, relationships and accessible support structures.

This approach reflects the school's commitment to upholding dignity, inclusion and the rights of every child.

Standard 5: People

People working with children are suitable and supported to reflect child safety and wellbeing values in practice⁵

Brisbane Catholic Education's commitment to Standard 5

BCE supports schools to ensure that everyone working or volunteering with students is suitable, safe and capable of upholding child safety and wellbeing. Our recruitment and screening processes embed safeguarding at every stage, from role design and advertising through to interviews, reference checks, onboarding and performance development. The Employee and Volunteer Screening Procedure includes a role risk matrix, Blue Card screening requirements and clearly defined responsibilities. These help leaders identify potential risks to student safety and wellbeing and respond appropriately. BCE's Human Resource Information System, Ignite, operationalises these procedures and helps employees monitor and maintain their safeguarding screening requirements. Our Procurement Procedure requires all external providers engaging with BCE offices or schools to be child safe and compliant with relevant legislation. The Risk Management Framework guides how we monitor safeguarding practices in schools through established quality control mechanisms. These processes ensure schools can safely engage employees, volunteers and third parties, with appropriate oversight, training and supervision in place before any child related work occurs.

What Standard 5 looks like at our school:

In line with our implementation plan, at the end of Term 4 we will explain:

- How we screen and onboard employees, volunteers and third parties

Standard 6: Complaints management

Processes to respond to complaints and concerns are child focused⁶

Brisbane Catholic Education's commitment to Standard 6

BCE fosters a culture where concerns about safety and wellbeing can be raised openly, respectfully and without fear. We support child focused complaint pathways that are accessible to students, families, employees and community members. Our policies and procedures outline reporting requirements, cooperation with authorities, and expectations for timely and safe responses to concerns. From 1 July 2026, BCE will implement Queensland's Reportable Conduct Scheme. This means BCE will report any reportable allegation or conviction, conduct investigations, provide interim and final reports to the Queensland Family and Child Commission, and immediately notify police of any suspected criminal conduct within required timeframes. BCE provides guidance and training to ensure complaints are handled in trauma informed and culturally safe ways, supported by Aboriginal and Torres Strait Islander Participation Officers and expertise from safeguarding, student protection, legal, wellbeing, school operations and program teams, and employee relations and investigations teams. System wide improvements are strengthening complaint handling processes, creating clearer pathways and embedding safeguarding expertise across the framework. These structures help schools respond to concerns with transparency, sensitivity and procedural fairness.

Standard 7: Knowledge and skills

Staff and volunteers of the entity are equipped with the knowledge, skills, and awareness to keep children safe through ongoing education and training⁷

Brisbane Catholic Education's commitment to Standard 7

BCE builds a confident, capable and culturally aware workforce committed to children's safety and wellbeing. Our Mandatory Safeguarding Training Framework sets clear onboarding and refresher requirements for all employees. Every year, BCE employees complete online student protection training covering indicators of child harm, grooming behaviours, how to respond to disclosures and mandatory reporting requirements. School staff also participate in additional face to face training each term on topics related to student safety and wellbeing. Staff who serve as Student Protection Contacts (SPCs) receive advanced training in managing disclosures and supporting colleagues to keep students safe. Volunteers and third party providers complete mandatory safeguarding onboarding before commencing any child related work, along with annual refreshers recorded in school registers in line with the Volunteer Policy and Procedure and Third Party Safeguarding Guidelines. BCE has developed a Cultural Learning Plan and Cultural Capability Framework to strengthen cultural competency and responsiveness, promote cultural safety and BCE's Ngutana-Lui Centre provides curriculum-aligned cultural learning for students and staff. All employee training is tracked through BCE's Learning Management System (iLearn), which issues automated reminders and provides compliance reports to managers.

Standard 8: Physical and online environments

Physical and online environments promote safety and wellbeing and minimise the opportunity for children to be harmed⁸

Brisbane Catholic Education's commitment to Standard 8

BCE is committed to creating healthy, safe and productive physical and online environments that support student wellbeing, prevent harm and safeguard everyone involved in our activities. We take a holistic, strengths-based approach that recognises all dimensions of a child's wellbeing – physical, social, spiritual, emotional and cultural. Building plans are reviewed with a focus on environmental risks that may affect children's safety. The BCE Health, Safety and Wellbeing (HSW) Policy and BCE Safeguarding Guidelines for School Design provide practical guidance to build safe, inclusive spaces with strong visibility, supervision and access control. To support online safety, BCE aligns with the eSafety Commissioner's Best Practice Framework and delivers the Australian Curriculum for Online Safety (P-10). The Acceptable Use of Devices and Digital Resources agreement promotes safe digital behaviour and is supported by content filters and monitoring tools. Policies such as the Employee Code of Conduct, IT Acceptable Use Policy and Privacy Policy outline expectations for safe online behaviour. BCE provides guidance to help schools maintain safe digital environments, and student safety considerations are embedded in risk assessments, school risk registers and organisation wide risk management processes.

What Standard 8 looks like at our school:

In line with our implementation plan, at the end of Term 3 we will explain:

Standard 9: Continuous improvement

Implementation of the Child Safe Standards is regularly reviewed and improved⁹

Brisbane Catholic Education's commitment to Standard 9

BCE is committed to continual review, learning and strengthening of safeguarding practice across both system and school levels. Ongoing improvement ensures our policies, frameworks and practices evolve in response to emerging issues, data and feedback, and remain effective in preventing harm and promoting wellbeing. System wide reviews are carried out by the Assurance Team, Risk and Compliance Team and through school accreditation processes. These reviews assess the effectiveness of safeguarding measures and identify opportunities to strengthen practice. Critical incidents also trigger structured post incident reviews to identify risks, evaluate responses and enhance wellbeing supports for students and employees. Governance committees, including Safeguarding, Risk and Assurance, and People and Safety, monitor trends and support system wide improvements. Schools are supported to monitor their own safeguarding indicators, such as Blue Card compliance, attendance, bullying and wellbeing data, enabling a local cycle of review, reflection and continuous improvement.

What Standard 9 looks like at our school:

At St John Vianney's, safeguarding is understood as an ongoing cycle of reflection, evaluation and improvement, embedded in both formal structures and everyday practice.

The school implements a structured, phased approach to reviewing Child Safe Standards, with self-assessment, monitoring and reporting occurring across the year to ensure continuous development and alignment with system expectations. A termly audit process is followed in partnership with BCE.

Continuous improvement is driven through a deliberate cycle of participation, data analysis, activity and evaluation, ensuring that decision-making is informed by evidence and stakeholder voice.

Data sources including student demographics, adult perspectives and student experience data are analysed to identify trends, strengths and areas for targeted action, ensuring that safeguarding responses are responsive and evidence-informed.

Regular consultation with students, staff, families and community stakeholders ensures that lived experience informs ongoing improvement and that safeguarding practices remain relevant and effective.

Structured leadership processes, including staff collaboration, leadership review and clear communication cycles, ensure that safeguarding actions are monitored, followed up and strengthened over time. Safeguarding at SJV is supported by standing agenda items in the weekly memorandum (item 3) and the week 5 and 10 line leader meeting where safeguarding and attendance are the first 2 agenda items.

This cyclical approach reflects a strong culture of accountability and ensures that safeguarding practices continue to evolve to meet the needs of students and the wider community.

⁹ Alignment with National Catholic Safeguarding Standards: Standard 9 Continuous Improvement | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(6)(a) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s20

Standard 10: Policy and procedures

Policies and procedures document how the entity is safe for children¹⁰

Brisbane Catholic Education's commitment to Standard 10

The Archdiocese of Brisbane Safeguarding Framework guides safeguarding practice across all Catholic entities, including BCE. The BCE Safeguarding Policy sits within this framework and is supported by a range of policies, procedures and guidelines designed to protect student safety and wellbeing. Under the BCE Policy Governance Framework, all policies are reviewed at least every three years through consultation, governance checks and formal approval. This ensures they remain current, reflect best practice and continue to support student safety, wellbeing and cultural safety. Consultation ensures policies reflect lived experience and meet the diverse needs of school communities. BCE is also working to make policies easier to understand and use, including creating child friendly resources. Policies and procedures are accessible to students, families, volunteers and third parties through BCE and school websites, and are available internally to employees through Spire. Safeguarding responsibilities are embedded in the BCE Leadership Capability Framework, ensuring leaders consistently communicate, model and apply policy requirements.

What Standard 10 looks like at our school:

At St John Vianney's, safeguarding policies and procedures are clearly defined, consistently implemented and embedded in daily practice to ensure a safe environment for all students.

The school aligns all safeguarding practices with Brisbane Catholic Education policies and system-level requirements, ensuring compliance, consistency and clarity across all areas of operation.

Policies are supported by clear, actionable procedures that guide staff in responding to safeguarding concerns, ensuring consistent and child-focused practice across the school.

Safeguarding expectations are reinforced through regular communication structures, including weekly staff memos and collaborative team meetings, ensuring that all staff remain informed, accountable and responsive.

Policies and procedures are actively embedded in the daily life of the school through teaching, relationships and operational practices, ensuring that safeguarding is visible and understood by staff, students and families.

Accessibility is a key consideration, with information provided in ways that support understanding across diverse cultural and linguistic backgrounds, ensuring all members of the community can engage with safeguarding expectations.

The school also commits to regular review and refinement of policies, ensuring they remain current, effective and responsive to emerging needs and system requirements. Through a refresher training cycle of every term.

This approach ensures that safeguarding policies are not static documents but living practices that guide and strengthen the safety and wellbeing of every child.
